**DECLARATION OF MICHAEL S.
HILLER IN OPPOSITION TO
DEFENDANTS' MOTION TO DISMISS**

17 Civ. 5625

MICHAEL S. HILLER, an attorney admitted to the practice of law before the Courts of the State of New York, as well as the United States District Court for the Southern District of New York, declares as follows under penalty of perjury pursuant to 28 U.S.C. § 1746:

1. I am the managing principal of Hiller, PC, *pro bono* counsel for Marvin Washington (“Marvin”), Dean Bortell, as Parent of Infant Alexis Bortell, Jose Belen, Sebastien Cotte, as Parent of Infant Jagger Cotte, and the Cannabis Cultural Association, Inc., Plaintiffs in the above-captioned action (collectively, “Plaintiffs”). I submit this Declaration in Opposition to Defendants’ Motion to Dismiss the Amended Complaint. The grounds for Plaintiffs’ Opposition are set forth in the accompanying Memorandum of Law (“Opposition Brief”). The purpose of this Declaration is to briefly address the length of the Opposition Brief and to identify the Exhibits annexed to this Opposition.

Length of the Brief in Opposition

2. We recognize that Plaintiffs’ Memorandum of Law in opposition to Defendants’ Motion to Dismiss (“Opposition Brief”) is lengthy, and defendants may seek to minimize its utility by referencing its length as somehow unwieldy. But the length of the Opposition Brief is largely driven the nature of defendants’ papers. As reflected in the Opposition Brief, defendants, although purporting to assume the facts true pursuant to Fed. R. Civ. P. 12(b)(6), largely ignore the facts recited in the Amended Complaint. As a consequence, it was incumbent upon us to recite the most pertinent allegations of the Amended Complaint -- a process which consumes considerable space in the Opposition Brief. In addition, defendants make a series of arguments without reciting the standards being applied. Accordingly, because we were uncertain, for example, whether defendants were arguing that Plaintiffs’ First Amendment Claim should be governed by strict or intermediate scrutiny (or perhaps rational relation review), it was necessary for us to include far more legal

argument than would otherwise be necessary.

Exhibits

3. For the Court's ease of reference, Plaintiffs' Amended Complaint is attached hereto as Exhibit A. The following Exhibits were attached to, and filed with, the Amended Complaint (Docket No. 23):

- Exhibit 2: Promotional Photograph of the film, "Hemp for Victory"

- Exhibit 6: United States Cannabis Patent Application, Oct. 7, 2003
