

Exhibit #38

Carl Olsen
130 E. Aurora Ave.
Des Moines, Iowa 50313-3654

November 15, 2015

Andrew Funk
Executive Director
Iowa Board of Pharmacy
400 S.W. Eighth Street, Suite E
Des Moines, IA 50309-4688

Dear Mr. Funk:

Under the **Iowa Open Records Law § 22.1 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records that show any activity on the decision the board made on January 5, 2015, to recommend the reclassification of cannabidiol.

In response to a petition I filed on July 7, 2014, the Board issued an order on January 5, 2015 (see Addendum B attached to the Board Meeting Minutes from January 5, 2015) recommending the rescheduling of cannabidiol (CBD). I've attached the copy that was provided to me by the Board at the time the ruling was made.

I would like copies of any correspondence the board may have had with anyone in the state legislature, with anyone in any other executive branch agency, or with the office of the governor.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the controlled substance scheduling process in Iowa. I am a researcher. This information is not being sought for commercial purposes.

The Iowa Open Records Law requires a response time within ten to twenty business days. If access to the records I am requesting will take longer than that time period, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

A handwritten signature in black ink that reads "Carl Olsen". The signature is written in a cursive style with a long horizontal flourish at the end.

Carl Olsen
