Well, regardless of what the clerk told you, I'm not going to file it on the docket. I will email it to Judge McCall now.

Yes, the reason for my request is that I want Judge McCall to have it available if he wants to read it.

Thank you!

Sorry, but we are only supposed to file our transcripts if there's an appeal. And since EDMS was implemented, we no longer file transcripts with the district court at all, only supreme court. What is the reason you are wanting it filed with district court? If you are wanting Judge McCall to read it, I will email him a courtesy copy. I'll try to help you out as much as I am allowed to.

I want to file it with the district court, not the supreme court.

Can you file it in my case?

I believe you will need to go through the proper appeal procedure, which I'm not sure what all that entails on your end, but you would need to file a combined certificate (Rule 6.804), and that is my notice to then file my transcript with the Supreme Court. I cannot file it until I receive that.  
Thank you.

Hi Julie,

Can you file a copy of your transcript with the court?
