Dear Administrator,

Enclosed with this letter are 5 copies of a Memorandum of Law to go along with the Petition for Marijuana Rescheduling that was received by your office on May 15, 2008 (see attached electronic receipt for certified mail receipt 7005 3110 0003 2963 1320). I have also enclosed a copy of the original petition.

I spoke with a gentleman at your office of chief counsel that told me I could send a memorandum of law along with a copy and proof of mailing so you could attach it to the original petition and exhibit.

Thank you!

Sincerely,
