

# Ethiopian Zion Coptic Church

July 2, 2008

Charles Grassley  
United States Senator  
135 Hart Senate Office Building  
Washington, D.C. 20510-1501

Dear Senator Grassley:

Attached is a Petition I filed with the DEA on May 15, 2008 for administrative rule making. As of July 2, 2008 I have not received a response from the DEA.

I would like to know when the DEA plans to respond to my Petition for administrative rule making.

In light of the ruling on *Gonzales v. Oregon*, 546 U.S. 243 (2006), much harm is currently being caused by the DEA's failure to obey federal law and reschedule marijuana.

I pray that this matter receives your immediate attention.

Thank you!

Sincerely,

Reverend Carl Olsen
