**CHAPTER 2**

[Initiative 692]

**MEDICAL USE OF MARIJUANA**

AN ACT Relating to the medical use of marijuana; adding a new chapter to Title 69 RCW; and prescribing penalties.

Be it enacted by the People of the State of Washington:

**NEW SECTION: Sec. 1. TITLE.**

This chapter may be known and cited as the Washington state medical use of marijuana act.

**NEW SECTION. Sec. 2. PURPOSE AND INTENT.**

The People of Washington state find that some patients with terminal or debilitating illnesses, under their physician's care, may benefit from the medical use of marijuana. Some of the illnesses for which marijuana appears to be beneficial include chemotherapy-related nausea and vomiting in cancer patients; AIDS wasting syndrome; severe muscle spasms associated with multiple sclerosis and other spasticity disorders; epilepsy; acute or chronic glaucoma; and some forms of intractable pain.

The People find that humanitarian compassion necessitates that the decision to authorize the medical use of marijuana by patients with terminal or debilitating illnesses is a personal, individual decision, based upon their physician's professional medical judgment and discretion.

Therefore, The people of the state of Washington intend that:

Qualifying patients with terminal or debilitating illnesses who, in the judgment of their physicians, would benefit from the medical use of marijuana, shall not be found guilty of a crime under state law for their possession and limited use of marijuana;

Persons who act as primary caregivers to such patients shall also not be found guilty of a crime under state law for assisting with the medical use of marijuana; and

Physicians also be excepted from liability and prosecution for the authorization of marijuana use to qualifying patients for whom, in the physician's professional judgment, medical marijuana may prove beneficial.

**NEW SECTION. Sec. 3. NON-MEDICAL PURPOSES PROHIBITED.**

Nothing in this chapter shall be construed to supersede Washington state law prohibiting the acquisition, possession, manufacture, sale, or use of marijuana for non-medical purposes.

**NEW SECTION. Sec. 4. PROTECTING PHYSICIANS AUTHORIZING THE USE OF MEDICAL MARIJUANA.**

A physician licensed under chapter 18.71 RCW or chapter 18.57 RCW shall be excepted from the state's criminal laws and shall not be penalized in any manner, or denied any right or privilege, for:

1. Advising a qualifying patient about the risks and benefits of medical use of marijuana or that the qualifying patient may benefit from the medical use of marijuana where such use is within a professional standard of care or in the individual physician's medical judgment; or

2. Providing a qualifying patient with valid documentation, based upon the physician's assessment of the qualifying patient's medical history and current medical condition, that the potential benefits of the medical use of marijuana would likely outweigh the health risks for the particular qualifying patient.

**NEW SECTION. Sec. 5. PROTECTING QUALIFYING PATIENTS AND PRIMARY CAREGIVERS.**

1. If charged with a violation of state law relating to marijuana, any qualifying patient who is engaged in the medical use of marijuana, or any designated primary caregiver who assists a qualifying patient in the medical use of marijuana, will be deemed to have established an affirmative defense to such charges by proof of his or her compliance with the requirements provided in this chapter. Any person meeting the requirements appropriate to his or her status under this chapter shall be considered to have engaged in activities permitted by this chapter and shall not be penalized in any manner, or denied any right or privilege, for such actions.
2. The qualifying patient, if eighteen years of age or older, shall:
  - (a) Meet all criteria for status as a qualifying patient;
  - (b) Possess no more marijuana than is necessary for the patient's personal, medical use, not exceeding the amount necessary for a sixty day supply; and
  - (c) Present his or her valid documentation to any law enforcement official who questions the patient regarding his or her medical use of marijuana.
3. The qualifying patient, if under eighteen years of age, shall comply with subsection (2)(a) and (c) of this section. However, any possession under subsection (2)(b) of this act, as well as any production, acquisition, and decision as to dosage and frequency of use, shall be the responsibility of the parent or legal guardian of the qualifying patient.
4. The designated primary caregiver shall:
  - (a) Meet all criteria for status as a primary caregiver to a qualifying patient;
  - (b) Possess, in combination with and as an agent for the qualifying patient, no more marijuana than is necessary for the patient's personal, medical use, not exceeding the amount necessary for a sixty day supply;
  - (c) Present a copy of the qualifying patient's valid documentation required by this chapter, as well as evidence of designation to act as primary caregiver by the patient, to any law enforcement official requesting such information;
  - (d) Be prohibited from consuming marijuana obtained for the personal, medical use of the patient for whom the individual is acting as primary caregiver; and
  - (e) Be the primary caregiver to only one patient at any one time.
