**OBJECTIVE:**

Seeking a nursing position which will allow me to expand my practical experience and assessment skills to provide quality care for clients and their families.

**QUALIFICATIONS:**

Dedicated Registered Nurse with a proven track record of providing quality, patient-centered care. Diversely experienced with a comprehensive background in epilepsy and medically fragile children with cognitive delays. Exceptional managerial, interpersonal, computer, and communication skills with the experience and background required to remain highly focused and composed in fast-paced, high stress environments. Continuing to pursue my educational endeavors with a Master's in Nursing Education at a CCNE accredited university.

**PROFESSIONAL EXPERIENCE:****Pediatric Registered Nurse:** (October 1999-March 2014-Present)

Responsible for managing intractable epilepsy condition with mono and poly-therapies including medications, insurance approval of Stiripentol (non-FDA approved medication), alternative treatments, short term surgery, major surgery and rehabilitation, ketogenic diet and adjunct therapies, and cannabis management. Coordinated services, appointments and testing for severe medical/educational needs with major medical facilities and school districts. Working as a PDN with Home and Hospital Agency since March 2014)

**RN Clinical Supervisor/Private Duty Pediatric Nurse at Loving Care:** (Jan 2012-March 2014)

Clinical supervisor of LPN/RN of pediatric home cases. Full time nursing. Caring for children and young adults in-home and at school with complex medical issues. Skills include gastric feeds, Jejunum feeds, medication administration, ventilator and tracheostomy clients with difficult respiratory needs including vest and manual CPT, cough assist and multiple respiratory treatments. Aspiration precautions, seizure control and safety precautions.

**RN Case Manager at Home Instead Senior Care:** (August 2011-November 2013)

Part time position assessing home bound seniors and supervising the assigned Certified Home Health Aides placed in their own homes within Morris and Passaic counties, New Jersey. New client assessment and monthly monitoring of clients overall health via home visits and follow up phone calls according to the NJ Board of Nursing Standard of Home Care Nursing. Assist office staff with training and monitoring the aides to ensure the best care for the geriatric clients. Other duties as needed.

**Sub School Nurse at Warren County School Districts:** (October 2011-April 2013)

Substitute school nurse, as needed, at various schools throughout Warren County. Sub certificate valid until 2015 with Warren County and Sagem Morpho background check on file with the Department of Education.

**Office Manager at Stockton MRI Medical Center, Inc.:** (June 1997 - December 1999)

Responsible for all office staff, patient scheduling and computer operations. Duties included accounts receivables and patient account maintenance. ***Mastery of medical terminology***
