Hi Carl,

The marijuana issue will be the first thing on our open session agenda, beginning at **1:00 p.m. on Monday, January 5**. It is my understanding that a final decision will be made on the matter at that time.

Thanks,
Lloyd

Subject: Motion to Table

Hi Lloyd,

I don't have a copy of the motion that was made to table consideration of the subcommittee's report on my petition. I think it was a motion to table until a time certain (the next meeting in January), but I'm not sure a motion to table has any time limits. I'm trying to figure out how much time I will need to take as vacation from work. I blocked out all three days, January 5-7, 2015, for now.

Does the motion to table automatically come back before the board without a motion to take it off the table?

Also, since this is a proposed ruling on my petition, it seems like something has to be considered just to complete that process.

Can you explain to me what the motion to table means as far as when this might come up at the next meeting?

Will you schedule a specific time for it?

Thank you!
