

IN THE IOWA DISTRICT COURT FOR POLK COUNTY

CARL OLSEN,	)	05771 CVCV051068

Petitioner,	)

v.	)	MOTION FOR LEAVE
	)	TO FILE TRANSCRIPT OF
	)	PROCEEDINGS (MAY 20, 2016)
IOWA BOARD OF PHARMACY,	)	
	)	
Respondent.	)	

On June 7, 2016, the Petitioner attempted to file the Transcript of Proceedings before this Court on May 20, 2016, through the EDMS System.

On June 8, the Transcript of Proceedings was rejected by the Polk County District Court Clerk through the EDMS System. The rejection included the name and telephone number of the Polk County District Court Clerk, Christy P (see attached copy of the email notification).

The Petitioner called the Clerk and was told that only the Court Reporter can file transcripts.

The Petitioner contacted the Court Reporter, Julie Moon, and was told there is some rule that prevents the Court Reporter from filing the transcript in Iowa District Court. The Court Reporter said transcripts can only be filed in the Iowa Supreme Court in the event of an appeal from the Polk County District Court.

The Petitioner has been unable to find any rule that prevents transcripts from being filed in Polk County District Court, and, therefore, requests leave to file it

through the EDMS System (a copy of the transcript is attached to this motion).

The Petitioner gives notice of and certifies electronically filing on June 12, 2016, through the EDMS System with the Polk County Clerk of Court the Petitioner's Motion for Leave to File Transcript of Proceedings (May 20, 2016).

Respectfully Submitted:

/s/ Carl Olsen
