**DECLARATION OF ANDY KRIEGER**

---

I, Andy Krieger, do hereby attest as follows:

1. I am over the age of majority, am competent to testify, and I have personal knowledge of the matters addressed in this declaration.
2. This Declaration is submitted in support of Plaintiffs' Supplemental Reply Brief.
3. I am the owner of E. Krieger Land, LLC, d/b/a Greene Goods Market and

Greenhouses (“Greene Goods”) located at 1608 Westwood Drive, Jefferson, IA 50129.

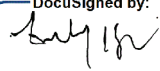

4. I understand that final rules regarding the required warning provision for all consumable hemp products were adopted and became immediately effective. These rules are different than the draft rules that were published by DHHS in June 2024.

5. Now that we have Final Rules regarding the warning label, it will take months for new compliant labels and packaging to be printed and prepared for products that I actually manufacture, such as gummies and carbonated beverages. I do not anticipate being able to market new beverages until at least October because it will take that long to ensure our products all have proper labels that meet the requirements of the Final Rules. These products make up approximately 90% of my overall inventory that I carry in my store. The absence of such products for 60-90 days is incredibly harmful to my business and livelihood.

6. Changes in our industry cannot just happen overnight. We need time to incorporate the new requirements into our processes, but the Final Rules became immediately effective and did not give the us time to come into compliance.

7. I declare under penalty of perjury that the foregoing is true and correct.

Executed this 22nd day of July 2024.
